- A customer of the Company has been retaining amounts aggregating Rs.315.39 lakhs in respect of Service Tax / GST levied by the Company on reimbursement of expenses. The Company is currently in discussion with this customer for recovering the retained amounts and Management believes that they have a strong case to collect the outstanding amounts and accordingly no provision has been made thereon. The review report has been modified in this respect.
- During the year ended March 31, 2009, the Office of the Commissioner of Customs (Preventive) had seized three helicopters for alleged non-compliance of the duty waivers given to non-scheduled operators (passenger). The Company had received a Show Cause Cum Demand Notice (SCN) citing an amount of Rs. 2,379.24 lakhs towards custom duty under Section 28 of the Customs Act, 1962 and applicable interest and penalty thereon. Pursuant to the receipt of the said SCN, the Commissioner of Customs (Preventive) had confirmed a demand of Rs. 2,621.95 lakhs towards differential duty of customs and penalty thereon for two helicopters. The Management believes that the Company is in compliance with the relevant customs and other regulatory guidelines in this respect, based on a decision in a previous year from Custom Excise and Service Tax Appellate Tribunal (CESTAT) West Zonal Bench, in favour of the Company on a similar matter and on an opinion from an external legal expert and that the demand being contested by the Company will be set aside by the higher appellate tribunal. An amount aggregating Rs. 538.26 lakhs has been paid as duty under protest during the year ended March 31, 2010. An emphasis of matter has been given in the review report.
- The Company is engaged in providing helicopter services in India, which is considered as one reportable segment. There are no separate reportable segments as per Ind AS 108 Operating Segments.
- Due to the Covid 19 pandemic, the operations of the Company have been materially impacted during the quarters ended June 30, 2021 and September 30, 2021 despite the services of the Company being provided to Oil & Gas sector and State Governments being classified under essential services.

The Company has enough working capital facilities and liquidity as of December 31, 2021, to meet all its regular expenses and other financial obligations. Despite the unprecedented nature of the pandemic, the situation is improving gradually and Management is continuously assessing the situation to ascertain the impact on the Company's operations.
